**Case No. 2:21-cv-01386-ENV-

CLASS ACTION

Hon. Eric N. Vitaliano
Hon. Arlene R. Lindsay

NOTICE OF PENDENCY AND SETTLEMENT OF CLASS ACTION

TO: ALL PERSONS AND ENTITIES THAT PURCHASED OR OTHERWISE ACQUIRED NEPTUNE WELLNESS SOLUTIONS INC. (“NEPTUNE”) SECURITIES ON THE NASDAQ OR ANOTHER U.S. TRADING VENUE BETWEEN JULY 24, 2019, AND JULY 15, 2021, BOTH DATES INCLUSIVE (THE “CLASS PERIOD”).

EXCLUDED FROM THE CLASS ARE DEFENDANTS, ANY FORMER OR CURRENT OFFICER OR DIRECTOR OF NEPTUNE, ANY ENTITY IN WHICH ANY DEFENDANT (ALONE OR IN COMBINATION WITH OTHER DEFENDANT(S)) HAS OR HAD A CONTROLLING INTEREST, AND ANY AFFILIATES, FAMILY MEMBERS, LEGAL REPRESENTATIVES, HEIRS, SUCCESSORS, OR ASSIGNS OF ANY OF THE PERSONS OR ENTITIES DESCRIBED IN THIS SENTENCE.

PLEASE READ THIS NOTICE CAREFULLY. YOUR RIGHTS MAY BE AFFECTED BY LEGAL PROCEEDINGS IN THIS LITIGATION. IF YOU ARE A MEMBER OF THE CLASS DESCRIBED HEREIN, YOU MAY BE ENTITLED TO RECEIVE A PAYMENT PURSUANT TO THE PROPOSED SETTLEMENT DESCRIBED BELOW.

CLASS RECOVERY: This Notice has been sent to you pursuant to an Order of the United States District Court for the Eastern District of New York (the “Court”) in the above-captioned action (the “Action”). This is not a solicitation from a lawyer. One of the purposes of this Notice is to inform you of the proposed Settlement of the Action for consideration at Neptune’s option of either: (a) \$4,000,000 cash or (b) \$1,500,000 cash and \$2,750,000 worth of Neptune common stock. Neptune has since chosen the latter option. Plaintiff estimates that approximately 102.5

million shares of Neptune that traded during the Class Period may have been impacted. If all such shares were impacted, and all holders are eligible to and elect to participate in the Settlement, the average recovery per share could be \$0.041, before deduction of any fees, expenses, costs, and awards described herein. The actual amount disbursed to members of the Class who participate in the Settlement may be more or less than this figure.

POTENTIAL OUTCOME OF THE CASE: The parties vigorously disagree on both liability and damages, and do not agree on what damages per share would be recoverable if Plaintiff prevailed on each claim alleged under the Securities Act of 1934. The issues on which the parties disagree include, but are not limited to: (a) whether Defendants made any material misrepresentations or omissions; (b) whether Defendants acted with the requisite state of mind (*scienter*); (c) the materiality of the allegedly false and misleading statements; and (d) the effect, if any, of those statements on the price of Neptune's common stock. Defendants deny that they are liable to the Plaintiff or the Class, and the Settlement is not an admission of wrongdoing or liability.

REASONS FOR SETTLEMENT: Plaintiff believes that the proposed Settlement is fair, reasonable, adequate, and in the best interests of, the Class. Plaintiff and his counsel have reached this conclusion after investigating and considering, among other things, the strengths and weaknesses of Plaintiff's claims, including Defendants' contentions that the Class's claims are without merit and have not been adequately pled, the uncertainties of this complex litigation, the legal and factual defenses available to Defendants, and the concrete benefits provided by the Settlement to the members of the Class. The Settlement was entered into after extended mediation proceedings. Without admitting any wrongdoing or liability whatsoever, Defendants are nevertheless willing to settle to avoid the continuing burden, expense, and inconvenience of this Action, as well as to avoid the cost, delay, and risk of continuing the Action, provided that all of the claims of the Class are settled and compromised.

ATTORNEYS' FEES AND COSTS SOUGHT: Class Counsel has not received any payment for its services in conducting this litigation on behalf of Plaintiff and Class Members, nor has it been reimbursed for its out-of-pocket expenditures. If the Settlement is approved by the Court, Class Counsel will apply to the Court for attorneys' fees not to exceed 33 1/3% of the Settlement Amount, and reimbursement of expenses not to exceed \$60,000, and a compensatory award to Plaintiff not to exceed \$7,000. If Class Counsel applies for awards in the maximum amount referenced, and the Court grants such awards, the total average cost per share would be \$0.0137.

NOTICE AND ADMINISTRATION COSTS: Subject to the Court's approval, the parties have agreed to deposit \$250,000 of the Settlement Amount into a Settlement Notice and Administration Account to cover the costs related to the publication and mailing of Notice to the Class and administration of all claims filed by Class Members. Any amount expended in excess of \$250,000 for Settlement Administration costs must be approved by the Court.

IDENTIFICATION OF PLAINTIFF'S COUNSEL: Requests for further information regarding the Action and this Notice may be directed to Class Counsel: Joshua B. Silverman, Esq., Pomerantz LLP, 10 South LaSalle St., Suite 3505, Chicago, IL 60603, 312-377-1181, jbsilverman@pomlaw.com.

I. THE CLASS INVOLVED IN THE PROPOSED SETTLEMENT

The proposed Settlement affects the rights of Class Members. The Class consists of:

All persons and entities that purchased or otherwise acquired Neptune securities on the NASDAQ or another U.S. trading venue between July 24, 2019, and July 15, 2021, both dates inclusive.

Excluded from the class are Defendants, any former or current officer or director of Neptune, any entity in which any Defendant (alone or in combination with other Defendant(s)) has or had a controlling interest, and any affiliates, family members, legal representatives, heirs, successors, or assigns of any of the persons or entities described in this sentence.

The sending of this Notice should not be construed as any indication of the Court's view as to the merits of any claims or defenses asserted by any party to this Action.

II. THE LITIGATION

Summary

This Action was initiated on March 16, 2021, asserting that Neptune and certain Neptune executives misled investors in violation of Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 about: (a) the capability and status of manufacturing facilities Neptune had recently acquired in its purchase of SugarLeaf Labs, LLC; (b) Neptune's capability to fulfill, performance of, and communications with Costco regarding an agreement to provide hand sanitizer to Costco; and (c) a purchase order to supply personal protective equipment in the wake of COVID-19.

By Order dated January 4, 2022, the Court appointed Mr. Rickert as lead plaintiff and approved his selection of Pomerantz LLP as lead counsel ("Class Counsel"). After an extensive investigation, on February 16, 2022, Lead Plaintiff filed an Amended Complaint. Thereafter, the parties filed pre-motion letters pursuant to the Court's rules letters regarding Defendants' anticipated motion to dismiss. On April 12, 2022, the Court granted leave to file the motion to dismiss, which Defendants served on May 25, 2022. On July 8, 2022, Plaintiff served his opposition to Defendants' motion to dismiss. On August 5, 2022, Defendants served their reply brief and filed all briefing on the motion pursuant to the Court's "bundling rule." Defendants' motion to dismiss remained pending at the time of the parties' mediation on October 11, 2022.

Investigation and Research Conducted by Counsel

Prior to filing the Amended Complaint, Class Counsel performed an extensive investigation into the merits of the Action, including consultation with experts concerning the amount of damages suffered by the Class; interviews of more than a dozen confidential witnesses who previously worked at Neptune and/or SugarLeaf; detailed reviews of all relevant public filings, SEC filings, press releases, and other public statements; review of analyst reports; and research of the applicable law with respect to the claims asserted in the complaints filed in the Action, and the potential defenses thereto with. Class Counsel has also continued to monitor Neptune's SEC filings, and until mediation continued its private investigation.

Proposed Settlement

Class Counsel and Defendants' Counsel participated in protracted negotiations including a full-day mediation before Jed Melnick, Esq., an experienced mediator affiliated with JAMS ADR. During these negotiations, the parties discussed, among other things, the respective claims and defenses, damage analyses, legal analyses, the evidence to be offered by the parties at trial, the risks of collection, and other important factual and legal issues. They also discussed the denial of insurance coverage that made any insurer contribution unlikely.

At the culmination of the mediation, and after multiple follow-up rounds of discussions and negotiations over the ensuing week with the mediator's assistance, the Parties reached an agreement to settle this Action for a cash payment of \$1,500,000 and, at Neptune's election, either an additional cash payment of \$2,500,000 or Neptune securities valued at \$2,750,000, as documented in their agreement in a Memorandum of Understanding executed on October 20, 2022, and further documented in the Stipulation executed on December 6, 2022. Neptune will decide between January 25, 2023, and February 1, 2023, whether it will propose to issue Neptune securities in lieu of the \$2,500,000 cash payment. Since Neptune has elected to issue Neptune stock instead of cash, the Parties will jointly request after February 1, 2023, that the Court issue findings necessary to ensure the availability of the exemption from registration under the Securities Act provided by Section 3(a)(10) thereof for the issuance of the shares, which will be included as part of the proposed final judgment to be submitted to the Court (or as part of a separate order incorporated into the final judgment). Class Counsel believe that the claims asserted in the Action have merit and that the evidence developed to date in the action supports the claims asserted therein. Class Counsel assert and believe the Class would present supporting evidence at trial establishing liability. By entering the Settlement, Defendants do not concede the truth of any of the claims against them and continue to deny any wrongdoing.

Class Counsel, however, recognize and acknowledge the expense and length of continued proceedings, trial, and appeals, and have taken into account the uncertain outcome and the risk of any litigation, especially complex actions such as here, as well as the risks of collection. They are also mindful of the inherent problems of proof under the federal securities laws violations asserted in this Action, including the defenses that may be asserted. In light of the foregoing, Class Counsel believe that the Settlement set forth in the Stipulation confers a meaningful benefit upon the Class. Based on their evaluation, Class Counsel have determined that the Settlement is in the best interests of the Class.

The Release

In return for the payment of the Settlement Fund, Class Members who do not file for exclusion from the Class will release, discharge, and dismiss with prejudice all Plaintiff's Released Claims, without costs to any party except as provided herein, upon the Effective Date. Plaintiff and all other Class Members, whether or not any such Person submits a Proof of Claim and Release Form or shares in the Net Settlement Fund, on behalf of themselves and each of their predecessors, successors, parents, subsidiaries, affiliates, custodians, agents, assigns, representatives, heirs, executors, trustees and administrators, will be deemed by this Settlement on the Effective Date to release and forever discharge any and all of the Plaintiff's Released Claims.

On the Effective Date, all Class Members, and anyone claiming through or on behalf of any of them, will be forever barred and enjoined from commencing, instituting, prosecuting, or continuing to prosecute any action or other proceedings asserting Plaintiff's Released Claims in any court of law or equity, arbitration tribunal, or administrative forum. Defendants have also released claims against Plaintiff, Class Counsel, Class Members, and their related persons arising out of the prosecution of this Action.

III. PROPOSED PLAN OF ALLOCATION

The Settlement consideration and any interest earned thereon shall be the Settlement Fund. If Neptune elects to fund the Settlement in part with common stock, such stock may be sold prior to distribution (but no more than 1/5 per trading day), with all net proceeds delivered to the Settlement Fund. The Settlement Fund less taxes, approved costs, fees, and expenses (the "Net Settlement Fund") shall be distributed to members of the Class who submit valid Proof of Claim and Release Forms ("Authorized Claimants").

The Plan of Allocation is a matter separate and apart from the proposed Settlement, and any decision by the Court concerning the Plan of Allocation shall not affect the validity or finality of the proposed Settlement. The Court may approve the Plan of Allocation with or without modifications agreed to among the Parties, or another plan of allocation, without further notice to Class Members. Any orders regarding a modification of the Plan of Allocation will be posted to the Settlement website, www.NeptuneSecuritiesSettlement.com.

The Settlement Administrator shall determine each Authorized Claimant's *pro rata* share of the Net Settlement Fund based upon each Authorized Claimant's "Recognized Loss." The Recognized Loss formula is not intended to be an estimate of the amount of what a Class Member lost or might have been able to recover after a trial; nor is it an estimate of the amount that will be paid to Authorized Claimants pursuant to the Settlement. The Recognized Loss formula is simply the basis upon which the Net Settlement Fund will be proportionately allocated to Authorized Claimants. To the extent there are sufficient funds in the Net Settlement Fund, each Authorized Claimant will receive an amount equal to the Authorized Claimant's Recognized Loss and subject to the provisions in the preceding paragraph. If, however, the amount in the Net Settlement Fund is not sufficient to permit payment of the total Recognized Loss of each Authorized Claimant, then each Authorized Claimant shall be paid the percentage of the Net Settlement Fund that each Authorized Claimant's Recognized Loss bears to the total Recognized Losses of all Authorized Claimants and subject to the provisions in the preceding paragraph.

If any funds remain in the Net Settlement Fund by reason of uncashed checks, or otherwise, after the Settlement Administrator has made reasonable and diligent efforts to have Authorized Claimants who are entitled to participate in the distribution of the Net Settlement Fund cash their distribution checks, then any balance remaining in the Net Settlement Fund six (6) months after the initial distribution of such funds shall be used: (i) first, to pay any amounts mistakenly omitted from the initial distribution to Authorized Claimants; (ii) second, to pay any additional Notice and Administration Costs incurred in administering the Settlement; and (iii) finally, to make a second distribution to Authorized Claimants who cashed their checks from the initial distribution and who would receive at least \$20.00 from such second distribution, after payment of the estimated costs

or fees to be incurred in administering the Net Settlement Fund and in making this second distribution, if such second distribution is economically feasible.

The Plan of Allocation takes into consideration the limitation on damages provision of the Private Securities Litigation Reform Act (“PSLRA”), 15 U.S.C. § 78u-4(e) which incorporates a 90-day lookback period, the advice of Plaintiff’s experts, and the principles of economic loss articulated by the Supreme Court in *Dura Pharmaceuticals, Inc. v. Broudo*, 544 U.S. 336 (2005). For purposes of this Settlement, the Recognized Loss shall be calculated as follows:

THE BASIS FOR CALCULATING YOUR RECOGNIZED LOSS

General Provisions

1. There shall be no Recognized Loss attributed to any Neptune securities other than common stock.

2. ***No reference to the number of shares, share price, or applicable inflation shall be adjusted for any split occurring after the Class Period, including Neptune’s June 13, 2022, reverse split.*** The date of a purchase, acquisition, or sale of Neptune securities is the “trade” date, and not the “settlement” date.

3. The first-in, first-out basis (“FIFO”) will be applied to both purchases and sales. For Class Members who held Neptune common stock at the beginning of the Class Period or made multiple purchases or sales during the Class Period, the FIFO method will be applied to such holdings, purchases, and sales for purposes of calculating a claim. Under the FIFO method, sales of Neptune common stock during the Class Period will be matched, in chronological order, first against Neptune common stock held at the beginning of the Class Period. The remaining sales of Neptune common stock during the Class Period will then be matched, in chronological order, against Neptune common stock purchased during the Class Period.

4. The date of covering a “short sale” is deemed to be the date of purchase of Neptune common stock; and the date of a “short sale” is deemed to be the date of sale. Shares originally sold short will have a Recognized Loss of zero.

5. The exercise of option contracts into Neptune common stock will be considered to be purchases or sales of Neptune common stock as of the date of the exercise.

6. No cash payment will be made on a claim where the potential distribution amount is less than \$20.00 (Twenty Dollars and Zero Cents). Please be advised that if you did not incur a Recognized Loss as defined in the Plan of Allocation you will not receive a cash distribution from the Net Settlement Fund, but you will be bound by all determinations and judgments of the Court in connection with the Settlement, including being barred from asserting any of the Plaintiff’s Released Claims.

7. The Court has reserved jurisdiction to allow, disallow, or adjust the claim of any Class Member on equitable grounds.

8. No Person shall have any claim against Class Counsel, the Settlement Administrator or other agent designated by Class Counsel, Defendants, or Defendants' Counsel based on the distribution made substantially in accordance with the Stipulation and this Plan of Allocation, or further orders of the Court.

9. Class Members who do not submit valid Proof of Claim and Release Forms will not share in the Settlement Proceeds. Class Members who do not either submit a request for exclusion or submit a valid Proof of Claim and Release Form will nevertheless be bound by the Settlement and the Order and Final Judgment of the Court dismissing this Action.

10. The Plan of Allocation was created with the assistance of a consulting damages expert which estimated the artificial inflation in the price of Neptune common stock during the Settlement Class Period as reflected in Table 1 below. The computation of the estimated alleged artificial inflation in the price of Neptune common stock during the Settlement Class Period is consistent with the allegations set forth in the operative complaint in this Action and the price change in the stock, net of market- and industry-wide factors, in reaction to the public announcements that allegedly corrected the misrepresentations alleged by Plaintiff.

Table 1		
Artificial Inflation in Neptune Common Stock*		
From	To	Per Share Price Inflation
July 24, 2019	February 15, 2021	\$1.29
February 16, 2021	February 16, 2021	\$0.39
February 17, 2021	July 15, 2021	\$0.22
July 16, 2021	Thereafter	\$0.00

* For each day during the Settlement Class Period, per-share price inflation shall not exceed the closing price of the stock that day.

11. In the calculations below, all purchase and sale prices shall exclude any fees, taxes, and commissions. If a Recognized Loss amount is calculated to be a negative number, that Recognized Loss shall be set to zero. Any transactions in Neptune common stock executed outside of regular trading hours shall be deemed to have occurred during the next regular trading session.

12. A Recognized Loss will be calculated as set forth below for each purchase or acquisition of Neptune common stock during the Settlement Class Period that is listed in the Claim Form and for which adequate documentation is provided.

13. For each share of Neptune common stock purchased or otherwise acquired during the Settlement Class Period (*i.e.*, July 24, 2019, through July 15, 2021, inclusive), the Recognized Loss per share shall be calculated as follows:

- i. For each share of Neptune common stock sold prior to February 16, 2021, the Recognized Loss Per share is \$0.
- ii. For each share of Neptune common stock sold during the period February 16, 2021, through July 15, 2021, inclusive, the Recognized Loss per share is the price inflation on the date of purchase/acquisition as provided in Table 1 above, minus the price inflation on the date of sale as provided in Table 1 above.
- iii. For each share of Neptune common stock sold during the period July 16, 2021, through October 13, 2021, inclusive (*i.e.*, the 90-Day Lookback Period), the Recognized Loss per share is *the lesser of*:
 - price inflation on the date of purchase/acquisition as provided in Table 1 above; or
 - the purchase/acquisition price *minus* the “90-Day Lookback Value” on the date of sale provided in Table 2 below.
- iv. For each share of Neptune common stock that was still held as of the close of trading on October 13, 2021, the Recognized Loss per share is *the lesser of*:
 - price inflation on the date of purchase/acquisition as provided in Table 1 above; or
 - the purchase/acquisition price *minus* the average closing price for Neptune common stock during the 90-Day Lookback Period, which is \$0.67.

IV. REQUESTING EXCLUSION FROM THE CLASS

**IF YOU ARE A MEMBER OF THE CLASS, YOU MAY BE ELIGIBLE TO
SHARE IN THE BENEFITS OF THIS SETTLEMENT AND WILL BE
BOUND BY ITS TERMS UNLESS YOU EXCLUDE YOURSELF FROM
THE CLASS.**

Each member of the Class shall be bound by all determinations and judgments of the Court in connection with the Settlement, whether favorable or unfavorable, unless such Class Member shall mail, by First-Class Mail, sufficient postage prepaid, a written request for exclusion from the Class, postmarked no later than May 30, 2023, addressed to the Settlement Administrator at:

Gong v. Neptune Wellness Solutions Inc., et al.
c/o A.B. Data, Ltd.
Exclusions
P.O. Box 173001
Milwaukee, WI 53217

Such request for exclusion shall be in a form that sufficiently identifies (1) the name, address, phone number, and email contact information (if any) of the person(s) or entity seeking exclusion, (2) a list of all transaction(s) involving Neptune securities during the period from July 24, 2019, through July 15, 2021, including the number of shares, principal amount, and trade date of each purchase and sale; and (3) specifically state that the person(s) “requests to be excluded from the Settlement and Class in *Gong v. Neptune Wellness Solutions Inc., et al.*, No. 2:21-cv-01386-ENV-ARL (E.D.N.Y.)” A request for exclusion shall not be effective unless submitted within the time and in the form and manner provided for herein. **You cannot exclude yourself by telephone, email, or fax.**

In order to be valid, such request for exclusion must be submitted with documentary proof: (i) of each purchase or acquisition and, if applicable, sale of Neptune securities during the Class Period; and (ii) demonstrating the person’s status as a beneficial owner of the Neptune securities. Any such request for exclusion must be signed and submitted by the beneficial owner under penalty of perjury.

If a person or entity who is a member of the Class duly and timely requests to be excluded from the Class, such person or entity will not be bound by any orders or judgments entered in respect of the Settlement and shall not be entitled to receive any benefits provided by the Settlement in the event it is finally approved by the Court.

If a judgment approving the Settlement provided for in the Stipulation is finally entered, all members of the Class who have not requested exclusion shall conclusively be deemed to have released and shall thereafter be barred from asserting any of the Plaintiff's Released Claims.

V. STATEMENT OF ATTORNEYS' FEES AND COSTS SOUGHT

If the proposed Settlement is approved, Class Counsel intend to apply to the Court for an award of attorneys' fees and reimbursement of expenses from the Settlement Fund. Class Counsel will seek no more than 33 1/3% of the Settlement Fund (including any interest earned thereon) as fees, plus reimbursement for the litigation expenses and costs actually incurred in prosecuting the action not to exceed \$60,000. Class Counsel believe their intended fee request to be fair and reasonable. Class Counsel have litigated this Action on a wholly contingent basis and have received no compensation during the period the Action has been pending, while expending considerable time and funds during the Action. Had the Action not been successful, Class Counsel would have sustained a considerable financial loss.

In addition, Class Counsel intend to apply to the Court on behalf of Plaintiff for reimbursement from the Settlement Fund for his reasonable time, costs, and expenses directly relating to their representation of the Class, not to exceed \$7,000.

VI. THE SETTLEMENT HEARING

The Settlement Hearing shall be held before Magistrate Judge Arlene R. Lindsay, on June 20, 2023, at 11:00 a.m., in Courtroom 810, United States Federal Courthouse, Central Islip, New York 11722, or remotely as the Court shall order, to determine: (1) whether a Class should be certified for purposes of the Settlement and whether Plaintiff and Class Counsel have adequately represented the Class Members; (2) whether the Settlement of the Class's claims for either \$4,000,000 cash or \$1,500,000 cash plus \$2,750,000 worth of Neptune securities, at Neptune's election, should be approved as fair, reasonable, and adequate; (3) whether the proposed Plan of Allocation is fair, just, reasonable, and adequate; (4) whether the Court should permanently enjoin the assertion of any claims that arise from or relate to the subject matter of the Action; (5) whether the Action should be dismissed with prejudice, as set forth in the Stipulation filed with the Court; (6) whether the application by Class Counsel for an award of attorneys' fees and expenses should be approved; and (7) whether Plaintiff's application for reimbursement of costs and expenses should be granted.

The Settlement Hearing may be adjourned or continued from time to time by the Court without further notice to the Class other than an announcement at such Settlement Hearing or at any adjournment or continuance thereof, or notice on the official docket available for inspection at the Court or via the Court's PACER system.

Any Class Member who does not timely and validly request exclusion from the Class and who objects to the Settlement, the adequacy of the representation, the proposed Plan of Allocation of the Net Settlement Fund, the Final Order and Judgment contemplated by the Stipulation, the application for attorneys' fees and reimbursement of expenses, and/or the application for reimbursement of the reasonable time, costs, and expenses of Plaintiff, or who otherwise wishes to be heard with respect to any of the foregoing, may appear in person or by attorney (or via any video platform designated by the Court) at the Settlement Hearing, at his or her own expense, and present any evidence or argument that may be proper and relevant. However, no person shall be heard, and no papers, briefs, pleadings, or other documents submitted by any such person shall be considered by the Court unless, **no later than May 30, 2023**, (1) a notice of the person's intention to appear, (2) a statement of such person's objections to any matter before the Court, including a statement specifying whether the objection applies to the objector, to a specific subset of the class, or to the entire class, and (3) the grounds for such objections or the reason for such person's request to appear and to be heard, as well as the information requested in Section IV herein and all other documents and writings which such person desires the Court to consider, shall be filed by such person with the Clerk of the Court, and, on or before such filing, shall be delivered by hand, overnight mail, or by certified mail, return-receipt requested, sufficient postage prepaid, upon each of the following counsel of record:

To Defendants:

Any person or entity who fails to object in the manner prescribed in the paragraph immediately above shall be deemed to have waived any objections that person or entity may have and shall be barred from raising such objections in this Action or any other action or proceeding. Objections directed solely to the proposed Plan of Allocation, attorneys' fees and expenses, or awards to Plaintiff will not affect the finality of either the Settlement or the Judgment to be entered pursuant thereto, if the Settlement is approved by the Court.

All members of the Class who do not request exclusion therefrom, in the manner provided herein, will be represented by Class Counsel in connection with the Settlement, but may, if they so desire, also enter an appearance through counsel of their own choice and at their own expense.

VII. PROOF OF CLAIM AND RELEASE FORM

To be eligible to receive a cash distribution from the Settlement Fund, you must timely complete, sign, and file a Proof of Claim and Release Form ("Proof of Claim"). A Proof of Claim is attached to this Notice. You may receive more than one copy of this Notice and the Proof of Claim, but you should **submit only one Proof of Claim** for each differently named account or ownership, such as an individual account, an IRA account, a joint account, a custodial account, etc.

The Proof of Claim (1) **must** be completed in accordance with the Instructions on the Proof of Claim, (2) **must** enclose all documentation required by the Instructions, and (3) **must be postmarked on or May 21, 2023**, and addressed to:
